

# OCTOBER NOIR

Formed by Tom Noir in 2017 and from Pensacola, Florida. Tom solidified the path into the genres of Goth, Doom, Rock, and Metal. Drawing from various influences such as Type O Negative, The Cure, 80s Hair Metal, Lycia, Danzig, My Dying Bride, and The Sisters of Mercy in order to create a thundering, deep, and dark resonance found in the naturistic platforms of pain, love, death, and spirituality. Joined by Trey Ozinga (Guitars), Doug Lane (Keyboards) and Tyler Fleming, the band set out in September of 2018 to share to the masses.
